From: Colombo, Sri Lanka **To:** Keelung

Vessel: "WAN HAI 502"

Service Required: Ascertainment of visual quality of blended teas & random test check for weight

All above details as declared by our client as per letter

In pursuance of an order received from our client Stassen Exports (Pvt) Ltd 03rd February, 2024 we carried out inspection of the above mentioned consignment to ascertain the quality & quantity. Our finding are as follows:

PLACE AND DATE OF INTERVENTION:

Shipper's stores at Colombo 14, between on 03rd and 15th February, 2024.

SAMPLING:

Representative samples were drawn from blend of the above mentioned consignment. The samples thus drawn were mixed thoroughly to make a composite sample and divided into two (150g x 2 samples). One sealed sample was handed over to the client for their reference. One sealed sample was handed over to our lab for testing purpose. One reference sample (70g x 1 Tub samples) will be retained by us for a period of three months until and unless definite instructions to the contrary are received in the meantime

ANALYSIS:

Two representative samples drawn during inspection were tested in our in-house laboratory and results obtained are as under:-

CEYLON BLACK TEA
